FOLIREV

STERILE HAIR GROWTH SERUM

Folirev is a scientifically formulated hair wellness supplement made in Spain, designed to fortify hair follicles and promote healthier, stronger hair. Enriched with essential nutrients such as Panthenol (Pro-Vitamin B5), Biotin (Vitamin B7), Ferrous Gluconate (Iron II), Thiamine (Vitamin B1), and Pyridoxine (Vitamin B6), Folirev supports the scalp and hair from the inside out. Its powerful combination of vitamins and iron helps combat hair weakness, nourish the roots, and maintain optimal follicle health for visibly improved hair vitality.

FERROUS GLUCONATE
(IRON II)

Stimulates hair follicle growth,
improves oxygenation,
reduces hair shedding.

THIAMINE
(VITAMIN B1)

Promotes scalp health,
enhances nutrients delivery,
reduces oxidative stress.

PYRIDOXINE
(VITAMIN B3)

Supports keratin & melanin
production, helps with
dandruff, hair restoration.

PANTHENOL
(PRO VITAMIN B5)

Strengthens the hair shaft and
enhances moisture retention. It
helps hydrate hair, reduce frizz,
prevent split ends and is especially
beneficial for dry, damaged hair.

BIOTIN
(VITAMIN B7)

Promotes elastin and keratin
production. Strengthens hair
structure , reduces breakage,
& prevent hair thinning.
